Getac UX10 rugged tablet

Getac UX10 rugged tablet

Highlights

Getac UX10 Rugged TabletThe ruggedly designed UX10 is the ultimate secure rugged tablet. It has been designed to deliver portable performance across a range of demanding industries such as industrial manufacturing, utilities and oil and gas.
Designed with 10.1" display, 10th Generation Intel Core processor, amazing graphics and offers a large range of battery configurations and options.

One of the best feature is that it can be certified for hazardous locations. The UX10 fully rugged tablet offers optional ATEX and IECEx Zone 2/22 certification for use in potentially explosive atmospheres.

• 10.1” touch, 1920 x 1200
