## Highlights

Fully-rugged laptop with versatility solutions. With its state-of-the-art computing power and designed with expansion in mind, the X600 Pro delivers capability without compromise to suit your needs.

This fully-rugged laptop is designed for uncompromised productivity and is the perfect fit for defense, transportation and logistics and oil and gas and other industries. The X600 Pro's Windows 11 Pro operating system enables an intuitively familiar core Microsoft user experience, but with enhanced hybrid/remote work functionality, and easier management of multiple tasks.
